The Summit Area YMCA is one of the area's leading charitable 501(c)3 organizations. Our programs and services are open to all through our financial assistance programs made possible through the generosity of our members, donors and partners. To help us help others, make your tax-deductible donation today at www.theSAY.org.

PARTNERS IN HEALING THE WHOLE PERSON

LIVESTRONG® at the YMCA is one of the Summit Area YMCA's most impactful and critical programs. This **free 12-week**, small group recovery program is specially designed for adult cancer survivors, supporting them as they transition from treatment to a physical and emotional return to normalcy.

As part of our mission to promote healthy living and to inspire caring for those members of our community who need help, the Summit Area YMCA works to provide programming and support to individuals of all ages and abilities. The LIVESTRONG at the YMCA program helps us assist cancer survivors in building muscle mass and strength, increasing flexibility and endurance, and improving functional ability.

The program is offered free-of-charge at both the Berkeley Heights YMCA and Summit YMCA to all members of the community. To register for our next session or for more information, visit us at www.theSAY.org or call Lisa McQuilkin, Wellness Director at the Berkeley Heights YMCA at 908 464 8373 x2026 or Sue Fieseler, Director of Community Wellness at the Summit YMCA at 908 273 3330 x1167.
