JEFF'S LEGACY

*Jeff Giordano heroic firefighter, will always be remembered along with all the victims of the terrorist attacks of September 11, 2001. He selflessly devoted his time and energy helping and caring for patients at the Burn Center at The New York Presbyterian Hospital. His tireless fund raising efforts greatly improved the quality of life of burn survivors of all ages. Contributions to JEFF'S RUN and other activities have enabled the **FF Jeff Giordano Children's Playroom at the Cornell Burn Center** to implement many programs designed to aid children of burn injuries. Activities such as *Dances with Wood, Art and Music Therapy, Camp Phoenix, and Burn Survivor Support Groups* have enabled patients to move beyond their physical and emotional limitations, assisting them in returning to their daily lives.*

The spirit and dedication that Jeff has left us continues through the generosity of others, and his legacy is preserved through the works of the children's playroom.

Thank you for your contributions in the past and we look forward to your continued support.
