About Us

Family Reach Foundation was founded by the Colangelo and Morello family. The Morello family of Oakland lost their daughter Kristine to a pediatric cancer in 1995. Kristine, before she died at the age of 27, had a vision to create a fund to help families cope with the financial pressures that mount during treatment. This would allow the families to focus on the healing of their loved ones.

Family Reach fulfills its mission through social workers and close relationships with leading cancer hospitals in our area (Valley Hospital and St Barnabas). We have generated over \$600,000 in net contributions through events (Golf Outing, Wine Tasting, etc) as well as corporate and individual donations.
