 Proceeds Benefit Got 2B Safe!

Every day, more than 2,100 U.S. children are reported missing and thousands more are exposed to dangerous situations. That's why Honeywell Hometown Solutions partners with the National Center for Missing & Exploited Children (NCMEC) to bring you Got 2B Safe! - an abduction prevention program for elementary school students that teaches children potentially life-saving lessons. Got 2B Safe! Works to keep our communities safer - one child, one teacher, one family at a time.
