Since 1942, Yavneh Academy, a primary and middle school, has been educating students in Bergen County. Yavneh provides academic excellence in a nurturing, child-center environment where the uniqueness of each student is stressed. Special attention is paid to differentiating instruction in order to match the children's learning styles, with many programs and opportunities for both enrichment and remediation. Yavneh's success is measured by the thousands of graduates who are equipped with a strong background of academic skills, a love of learning and readiness to meet the challenges of adolescence and beyond. The Yavneh parent body, totaling 430 families, is dedicated to providing their children with the outstanding educational programming that Yavneh offers. Through their devotion and your support, the Yavneh Scholarship Fund will enable students in Bergen County to continue to receive the outstanding academic foundation Yavneh Academy strives for in order to maximize the potential of each child.
