About Halfway Hounds

Our mission is to give potentially adoptable shelter dogs a second chance. These adoptable dogs have run out of time and options and all they need is a place to stay and some training until they find their forever home. We provide temporary kennel housing, grooming, behavior assessment, obedience training, medical attention and all the love they need until they find a family. Our goal is to place every adoptable dog, educate the community about dog behavior and assist in providing necessary training to dog and family for a successful adoption leading to a permanent home.
