For over 60 years, United Cerebral Palsy of Philadelphia & Vicinity (UCP) has been making a difference in the lives of children, adults and families living with a disability in the Delaware Valley. Proceeds from the UCP 5K Corporate Run/Walk support programs and services UCP provides to over 7,000 families in our area each year.

By supporting this event, you are helping UCP provide programs and services that:

- Give parents the information they need to get the best education for their child.
- Advise families on making modifications to their home and vehicles.
- Make sure a child has the appropriate wheelchair, walker or any type of assistive technology to support development and promote independence.
- Organize music, art and other interest-based activities for teens and adults with disabilities.
- Offer a competitive bowling league to over 65 bowlers.

United Cerebral Palsy is dedicated to positively affecting the quality of life for children and adults with cerebral palsy and similar disabilities. While initially founded to serve individuals born with cerebral palsy, UCP has expanded its capabilities by providing programs and services to people with a wide variety of physical, mental, hearing and speech impairments, such as, autism, head trauma, Down Syndrome, spinal cord injuries and mental retardation.
